

## 3rd Annual Angler Young Angler Tournament in Central Ontario

We are pleased to announce that there will be a 3rd Annual Angler Young Angler Tournament in Central Ontario for the 2010 season. Due to renovation construction in Palmer Park and the surrounding water front as well as previously book engagements we have moved the event to **Sunday June 6<sup>th</sup> 2010**. This event will once again be supported through DT Power Sports located in Uxbridge Ont. Durham Regions leading recreational dealership. DT Power Sports is the leading ATV, snowmobile, and boat dealer in Central Ontario. They have been serving the Uxbridge and Durham Region since 1972, and offer the best lines in the industry and back it up with superior Sales, Service, and Parts departments. The weigh-in and stage facilities will once again be supplied by the **CSFL**.

The **Competitive Sport Fishing League** is a recognized leader in the sport fishing industry which offers a comprehensive schedule for tournament anglers with over 40 annual tournaments across Southern and Eastern Ontario and has run and operated well over 300 successful events to date. With their support of this event and others like it from year to year it is just another reason that keeps the CSFL the first choice of tournaments. Please visit them at [www.csfl.ca](http://www.csfl.ca) to learn more about the CSFL. It is the commitment of companies like the CSFL and DT Power Sports that are pillars of success for events such as these.

The 2010 Angler Young Angler Tournament will be held on the Shores of Lake Scugog located in the heart of Durham Region and is considered by many as an "easy to fish" walleye factory. The 2009 event held on this very same body of which was a tremendous success as measured by the smiling faces of every child that attended and the huge crowds that attended. Many Anglers vowed to return for the 2010 event and their commitment is holding true as many have begun to contact us about reserving a spot.

The main objective of the Angler Young Angler Tournaments is to introduce and educate young anglers to competitive sport fishing in a fun environment surrounded by family and friends while creating memories that will last a lifetime. Each team in the tournaments consists of one angler and two young anglers, 17 and under. Each event includes official weigh-in, prizes, awards and BBQ to follow a hard day's fishing. The winner of each regional event qualifies for the opportunity to participate in the National Championship. The event is capped at 50 boats and the entry forms will be available on line and at DT Power Sports. First Prize for this event will be a **Lund Boat and Mercury Outboard Package**. Confirmation of the official launch site, prize structure below first, entry fees for this event will follow in the coming days.

I can assure you that our AYA team led by Greg Booth of DT Power Sports is committed to building on last year's event and carrying the momentum through to the 2010 event. Our AYA team is excited about the 2010 Tournament and we are in contact with past Corporate Sponsors of the event and are actively seeking new Sponsors for the awesome event. Please feel free to contact anyone of us for further details; we will release the details as they become confirmed. We all know that kids are the future of fishing, but as anglers we need to light the path. If you have any questions please feel free to contact any of the below mentioned
